4/15/2020 - Request for Access Vascular Surgical Associates

FollowMyHealth®

Request for Access

First Name: EUGENE

Middle initial:

Last Name: MAURICE

I, MAURICE, EUGENE request access to the healthcare information about me, and authorize Vascular Surgical Associates to release such information that it has configured to be transmitted to my FollowMyHealth personal health record for my own uses and purposes. I acknowledge that such healthcare information may include the following: x-rays, clinical diagnosis, histories of present illnesses, immunizations, allergies, prescription drug information, laboratory results, diagnostic screening and testing, clinical procedures, medical research, clinical trials, billing, account, and insurance information.

I acknowledge that such healthcare information may include information regarding mental health screenings and/or treatment, including psychotherapy notes, HIV/AIDS, infectious disease, sexually transmitted infection testing, screening, diagnosis, and/or treatment; genetic testing, history of domestic violence, child abuse, and/or family abuse; and, substance/alcohol use and treatment history.

I acknowledge that with this Request for Access Vascular Surgical Associates may disclose any information or records (within the scope of the Request for Access) that Vascular Surgical Associates has received about me from other healthcare Practices or facilities. Vascular Surgical Associates may, within its discretion, withhold from disclosure any of the above information as permitted or required by law.

Access to treatment or services may not be denied to me if I decline to sign this Request for Access or revoke my Request for Access. However, without this Request for Access, my Practice will not electronically release my healthcare information to my FollowMyHealth personal health record. I may revoke this Request for Access at any time. Such revocation will promptly take effect except to the extent that Vascular Surgical Associates already has acted based on this Request for Access.

I may revoke this Request for Access by removing my connection to Vascular Surgical Associates from my FollowMyHealth account or providing my request to Vascular Surgical Associates. However, I acknowledge that data previously submitted by Vascular Surgical Associates as authorized by me prior to my subsequent revocation of this Request for Access will remain in my FollowMyHealth account. I understand that I may delete my FollowMyHealth account any time.

This Request for Access shall end upon the earliest of: a) the termination of the connection between my healthcare Practice and my FollowMyHealth Account; or b) upon my written request submitted to support@followmyhealth.com.

For Authorized Representatives of Patients younger than 18 years old: This Request for Access shall expire upon the earliest of: (1) the date the minor reaches the age of 18; or (2) the date FollowMyHealth receives written revocation from the minor, as an emancipated minor with legal authority to manage his/her own healthcare.

I understand that the information submitted to my FollowMyHealth account is subject to the privacy and security protections of applicable Federal and State laws. I further understand and acknowledge that the manner in which FollowMyHealth protects my personal information is detailed in the FollowMyHealth Privacy Policy and the FollowMyHealth Terms of Use. I understand that Vascular Surgical Associates is not responsible for the security of data stored in the FollowMyHealth database, and that the owners of FollowMyHealth are responsible for ensuring the security of the data stored in FollowMyHealth.

I have the right to receive a copy of this Request for Access and may do so by clicking [Print] above.
